

3 big onions 1 egg 1/3 cup milk 1/3 cup flour 1/2 tsp salt 1/4 tsp sodium bicarbonate

For Frying; Vegetable oil

#Slice the onions into circles which have 1/2 inch thickness. Remove the smaller circles to use for another meal. # Boil the water with some salt in a pot. Add the bigger onion slice in it, when the slices turns to transparent a little and get par-cooked remove them from the boiling water, pour cold water all over the slices. #While draining the extra water of the cooked onion circles prepare the dough of them. Whisk the mixture of the

egg, milk, flour, salt and sodium bicarbonate. #Dip the onion circles into the mixture, and then place them into the hot oil, when their both sides turns to golden

#Dip the onion circles into the mixture, and then place them into the not oil, when their both sides turns to golden colour, place them over a paper towel.

After removing their extra oil, place them onto a flat service plate and serve.

Note: Marseille style onion is the best for cooking the fried onions.
