

A glass bowl filled with a dark, thick, and creamy substance, likely a hazelnut spread or ice cream. The bowl is surrounded by several whole hazelnuts and some broken ones, along with small white flowers and green leaves. The background is a light-colored, textured surface. The text "Miteuaz Lezzetler" is written in a stylized, cursive font across the bowl, and "PARK HOTEL" is written in a smaller, sans-serif font below it.
